

## Appreciation Letter

Dear Prof (Dr.) J.M. Hans, Dr. B. L. Kapur Memorial Hospital

Hereby I would like to express my thanks and appreciations for the wonderful treatment and care you all showed to me for surgery throat/thyroid of my wife (Mrs. ASEFAH) in Memorial Hospital, Delhi India.

Before I came into the hospital, for the operation, I was very nervous and daunted by the fear of the unknown but you were all so kind and reassuring when I arrived which took away a lot of my apprehension.

You demonstrated your total commitment into caring for me when I was helpless in the days immediately following the operation and also gave me the support and encouragement I needed to take my first steps on the road to surgery and rehabilitation of my wife which mean so much to me. Indeed, you played an important part in my wife treatment and recovery.

I'd like to also thank those Doctors who provided me with round the clock nursing care and for their expertise in the operating support.

Thanks to you all, she now able to look forward to a long-held dream to be able to feel better with increasing hopes towards having a brilliant future. Without your help, this would not have been possible so you can imagine how grateful we are.

Thank you all once again for all your care and support.

Best Wishes
